# Participant Terms Agreement

**Including Enrollment, Payment, Refund, Cancellation and Dismissal Agreements;  
Medical Authorization & Expense; Authorization to Use Images of Participant; Dispute Provisions**

ActionQuest LLC, individually and d/b/a Global Expeditions Group, GoBeyond Student Travel, and Sea|mester (collectively, “GXG”), operate domestic and international adventure and service educational Programs (“Programs”) for middle school, high school, and college students, and adults, under the brand names ActionQuest, GoBeyond, and Sea|mester. **Please read this document completely and carefully.**

This Participant Terms Agreement (“Agreement”) sets forth the terms of the Participant’s enrollment in a GXG Program. **This Agreement must be signed by all Participants, and a Parent or legal guardian if the Participant is a minor.** “Participant” includes adult and minor Participants, unless indicated otherwise. “Parent” includes a parent or legal guardian of a minor Participant. In consideration of the services provided in the Programs, I agree, for myself (and for the minor Participant if I am signing as a Parent), to the following:

**Enrollment, Payment, Refund, Cancellation and Dismissal Terms:** A deposit is payable upon enrollment to hold your space until final tuition is due. This deposit is \$1,000 if enrolling before March 1 in the year of your Program and \$1,500 on/after March 1. Seventy-five percent (75%) of the deposit amount is refundable up until January 1 in the year of your Program. After January 1, all deposits are non-refundable.

Tuition is due 120 days before the Program’s start date. If enrolling within 120 days of the Program’s start date, your final tuition is due 21 days after enrollment but no later than 30 days before the Program’s start date. If enrolling within 30 days of the Program’s start date, the final tuition is due upon enrollment. Tuitions are non-refundable after the due date. A \$50 late fee will be applied for every seven days that tuition remains outstanding following the tuition due date. GXG reserves the right to cancel applicants, without refund, whose tuition is more than 14 days past due. Tuition payments are accepted by check, ACH, or wire transfer. Credit cards may also be used for tuition payments, but the tuition amounts will be slightly higher, as GXG’s published tuition fees reflect a 3% discount for payment by check, ACH, or wire transfer.

Once enrolled, any request to switch Programs in the same summer will be considered on a case-by-case basis. GXG does not allow Program switches within 30 days of the Program’s start date.

If any Program is canceled before commencement due to an act or event arising out of or caused, directly or indirectly, by circumstances beyond GXG’s reasonable control, including but not limited to a natural disaster or other act of God such as an earthquake, hurricane or tsunami; war; terrorism; fire; civil, military, or political unrest; local or global health crisis (**including but not limited to a pandemic such as COVID-19**); government action; and/or any other act or event that is beyond GXG’s reasonable control, GXG will make reasonable efforts to accommodate Participants on another GXG Program during the same summer. If that is not feasible, GXG is unable to issue any refunds for cancellations due to an act or event set forth in this paragraph; however, GXG will issue a voucher equaling the amount paid directly to GXG for use on another GXG Program for the following summer.

If any Program is canceled before commencement for any other reason that makes the Program financially or operationally unfeasible, including but not limited to low enrollment, staffing difficulties, unanticipated vendor price increases (such as for vessel charters, hotels, or activities), or significant exchange rate shifts, GXG will make reasonable efforts to accommodate Participants on another GXG Program during the same summer or refund monies paid directly to GXG.

Please understand that GXG incurs most of its costs and expenses to prepare and operate a Program before the start date. Therefore, if a Program is canceled after commencement but before the scheduled last day for any reason, including but not limited to a government order or a decision by GXG that doing so is in the best interests of Participants and staff, no refund of deposits or tuition is possible. Where feasible, GXG will make reasonable efforts to place the Participant in another ongoing trip or issue a voucher in an amount to be solely determined by GXG (based upon various factors including GXG's unrecoverable costs and expenses associated with operating the Program before cancellation) to be used on another GXG Program for the following summer. **To help mitigate the risks of such a cancellation and to avoid the possibility of unexpected loss, GXG strongly recommends that you purchase trip insurance.**

It is understood and agreed that any Program's route and itinerary, facilities, personnel, or activities may be changed at GXG's sole discretion, without prior notice to Parents/Participants or any legal obligation to GXG. Except for flight irregularities, a Participant's failure to arrive on the designated Program's start date will be considered a cancellation unless previously approved by GXG.

It is understood that GXG reserves the right to unenroll or dismiss a Participant from a Program if GXG believes, in its sole discretion, the Participant: presents a safety concern or medical risk to themselves and/or others; is disruptive; breaches (or is associated with those in breach of) any agreement with GXG including the Student Code of Conduct; fails to meet GXG's Student Essential Eligibility Criteria following a misrepresentation on an application form; or conducts him or herself in a manner detrimental to GXG or other Participants. Participant/Parent is solely responsible for all costs of early departure, whether for medical reasons, dismissal, personal emergencies, or otherwise. These costs include, but may not be limited to, plane, train, or bus fare, and meals or accommodations for the departing Participant and any necessary Staff Chaperone. Parents (or designee authorized to make decisions) must be reachable at all times throughout the Program to coordinate the return of their Participant on the same day that a medical emergency or dismissal occurs. Enrollment for any two GXG Programs in the same summer will be considered a single Program in the event of withdrawal or dismissal.

**Information on Trip Cancellation and Trip Interruption Insurance is available on GXG's websites. Subject to certain exclusions and conditions contained in the policy, the insurance offers a full refund in the event of cancellation up to departure and including interruption after departure. GXG strongly recommends that insurance is purchased to mitigate possible unexpected financial loss.**

**By signing this Agreement, Participant and/or Parent agree to all terms, conditions and policies published on GXG's websites, and registration and application forms, including but not limited to the Participant Agreement (including the COVID-19 Addendum to Participant Agreement) and this Participant Terms Agreement.**

**Medical Authorization & Expense:** Participant and/or Parent authorize GXG staff or other medical personnel to obtain or provide medical or other health care for Participant, to transport Participant to a medical facility, and/or to provide treatment they consider necessary for Participant's health. Participant and/or Parent agree to the release (to or by GXG) of any records necessary for treatment, referral, billing or insurance purposes. Reasonable efforts will be made to contact a Parent or emergency contact if a medical emergency or serious illness occurs. The cost of all health care services provided to the Participant, and any costs incurred by GXG staff while accompanying the Participant in the event of illness or injury, including lodging, transportation and costs related to rejoining the group, shall be the sole responsibility of the Participant and/or Parent. **All fees incurred to meet COVID-19 mitigation protocols established by a destination country (including but not limited to travel authorization, insurance, testing, tracking, tracing, and quarantine) shall be the sole responsibility of the Participant and/or Parent, regardless of whether those fees are incurred before or during the Program.**

**Equipment Usage:** If Participant is borrowing or renting new or used equipment from GXG, the equipment comes "AS-IS." GXG disclaims all warranties, express or implied (including any conditions of merchantability or fitness for a particular purpose), regarding the equipment.

**Authorization to Use Images of Participant:** Participant and/or Parent authorize GXG and/or its agents and designees, to photograph, film, record and/or otherwise capture the name, image, voice, written statement, group journal or electronic entry, photograph and/or visual likeness of the Participant and his/her other family members (collectively

“images”), without compensation, for use in any media throughout the world in perpetuity, including for sale, reproduction or display on the internet, in publications and/or for any informational, promotional, educational, audiovisual, exhibition, editorial, or other use in any manner that GXG desires. These images are the sole property of GXG, and Participant and/or Parent waive any inspection or approval rights.

**Dispute Provisions:** If Participant or Parent has any dispute with GXG, its owners, employees, agents, staff, trustees, contractors, officers and directors, and the owners and operators of any vessel on which the Programs are conducted (collectively, “Released Party/ies”) arising out of or in any way connected with enrollment or participation in any of the Programs, the Parties will first attempt to resolve the matter through discussions between the Parties. If the issue cannot be resolved through discussions between the Parties, prior to the filing of any lawsuit, the Parties shall in good faith engage in pre-suit mediation before a mediator certified by the Florida Supreme Court.

This Agreement, and any lawsuit or dispute in any way connected with Participant’s enrollment or participation in any of the Programs, shall be exclusively governed by the laws of Florida. This Agreement shall not be construed for or against a party because that party drafted it. The exclusive venue of any action or proceeding in any way related to, arising out of, or connected with a Participant’s enrollment or participation in any Program shall be the Middle District of Florida, Tampa Division, if the claim is subject to federal jurisdiction; and Sarasota County, Florida, if none of the claims are subject to federal jurisdiction. The Parties hereby waive the right to a jury trial in any action or proceeding under this Agreement or in any way arising out of, related to, or connected with the Participant’s enrollment or participation in any of the Programs, regardless of the legal theory of a cause of action. No party against whom an action is brought under this Agreement shall be liable for consequential or punitive damages. **If GXG or any Released Party prevails in any lawsuit or claim against Participant and/or Parent, Participant and/or Parent agree to pay all costs, expenses and attorney’s fees incurred by GXG or any Released Party in any such lawsuit or claim.**

Participant and Parent acknowledge that this Agreement is intended to be interpreted and enforced to the fullest extent allowed by law. If any clause, or portion of a clause, in this Agreement is deemed to be invalid, it shall be regarded as stricken while the remainder of this Agreement shall continue to be in full force and effect.

**PARTICIPANT AND/OR PARENT OF A MINOR PARTICIPANT AGREE: I HAVE CAREFULLY READ, UNDERSTAND, AND VOLUNTARILY SIGN THIS DOCUMENT AND ACKNOWLEDGE THAT IT SHALL BE EFFECTIVE AND LEGALLY BINDING UPON ME, MY SPOUSE, PARTICIPATING CHILD AND OTHER CHILDREN, AND PARTICIPANT’S/PARENT’S OTHER FAMILY MEMBERS, HEIRS, EXECUTORS, REPRESENTATIVES, SUBROGEEES, ASSIGNS, AND ESTATE. ALL PARTICIPANTS MUST SIGN BELOW. IF PARTICIPANT IS A MINOR (THOSE UNDER 18 YEARS OF AGE), ONE OF THE PARTICIPANT’S PARENTS OR LEGAL GUARDIANS MUST ALSO SIGN BELOW.**

**I understand that my signature is valid and legally binding whether I choose to electronically sign or sign a printable version of this Document.**

## Participant Agreement

### Including Declaration of Activities and Risks, Acknowledgment and Assumption of Risks & Liability Release and Indemnity

**THIS DOCUMENT CONTAINS A RELEASE OF LIABILITY AND WAIVER OF CERTAIN LEGAL RIGHTS.**

ActionQuest LLC, individually and d/b/a Global Expeditions Group, GoBeyond Student Travel, and Sea|mester (collectively, "GXG"), operate domestic and international adventure and service educational programs ("Programs") for middle school, high school, and college students, and adults, under the brand names ActionQuest, GoBeyond, and Sea|mester. **The Programs involve activities that have inherent risks, many of which cannot be eliminated without destroying the unique character of the activities.** These risks, inherent and otherwise, can cause harm, injury, or loss to property and persons, and in extreme cases, severe injury or death. This document describes some of the risks. **Please read this document completely and carefully. This Participant Agreement ("Agreement") must be signed by all participants, and a parent or legal guardian if the participant is a minor.** "Participant" includes adult and minor participants, unless indicated otherwise. "Parent" includes a parent or legal guardian of a minor Participant. In consideration of the services provided in the Programs, I agree (for myself and for the minor Participant if I am signing as a Parent) to the following:

#### **DECLARATION OF ACTIVITIES AND RISKS**

The Programs are conducted internationally, primarily near or on the sea, in many locations as described in program-specific materials furnished to Parents and Participants. GoBeyond includes more activities onshore as opposed to on the sea; ActionQuest and Sea|mester include more activities on the seas as opposed to onshore. Activities conducted onshore will occur in urban or rustic village settings. Programs may use chartered and rented sail and motor vessels of various sizes and capabilities.

Activities vary among the Programs and may include the following:

1. Water sports activities may include but are not limited to sailing, scuba and snorkeling, swimming, whitewater rafting, waterskiing, wakeboarding, kneeboarding, windsurfing, surfing and operating small, motorized watercraft. In many programs, Participants will be subject to the risks of living and working on, and otherwise moving about, ocean-going vessels and other watercraft. Shipboard duties include but are not limited to raising, lowering and handling of sails; easing and grinding of working lines under load using winches and purchase systems; handling anchor lines, anchor chains and anchors; handling lines leading to small craft in tow from the deck of the vessel; cooking on gas stoves; cleaning of galley ware, common spaces, cabins and bathrooms.
2. Shore activities include transportation to and from activities and airports by way of airplane, taxi, train, public bus or rented vehicle. Other shore activities include but are not limited to exploring local cities, towns and villages during free time; hiking; camping; zip-lining; horseback riding; and, on rare occasion (only for Sea|mester), Participants over the age of 18 may ride scooters and/or operate other motorized vehicles.
3. Community service projects occur both onshore and offshore and may expose Participants to risks ordinarily associated with light construction, including but not limited to heavy lifting and the use of potentially dangerous hand tools and power tools. Many of the activities include interaction with local populations.

## I UNDERSTAND THAT THE RISKS OF THE PROGRAMS INCLUDE, WITHOUT LIMITATION:

1. Weather, environmental, and surface and subsurface conditions in an outdoor or wilderness environment in a foreign country that are unpredictable and dangerous, including risks associated with travel on trails or routes that may not be groomed, maintained, controlled, or marked; lightning; snow or ice accumulation; high altitude conditions; fast moving rivers or other water bodies; falling or fallen timber; mineshafts; rockfall; icefall; steep or slippery terrain; electrical storms; mountain storms; flashfloods; snow; rain; hail; sleet; ice and extremely cold water; geothermal geysers or geothermally heated (extremely hot) water; unstable or loose rock; wild or domestic animals; stinging, venomous and/or disease carrying animals, insects or microorganisms; and other natural and man-made hazards and dangers;
2. Participant's mental, physical or emotional condition (including use or abuse of alcohol or any prescription or non-prescription drugs), disclosed or undisclosed, known or unknown, combined with participation in the Activities, includes risks. Although GXG will review Participant's submitted medical information, GXG cannot anticipate or eliminate risks or complications posed by Participant's mental, physical (including fitness level) or emotional condition;
3. Risks associated with GXG staff decision-making, judgments, and warnings, which are often based on a variety of perceptions and evaluations, which by their nature are imprecise and subject to error. These include the risk that a staff member may misjudge an individual's capabilities, health, or fitness level, or misjudge terrain, weather, trail location and conditions, water-level, ocean conditions, river and/or terrain route location, some aspect of instruction, medical treatment, the character and propensities of an animal, or how best to react in certain circumstances;
4. Risks associated with sailing, boating, surfing, sea kayaking, snorkeling, and scuba diving in an ocean or other open body of water, including interactions with other individuals and vessels on the water; potential hazards including docks, piers, bridges, buoys, rocks, corals, reefs, and the shore; water and weather conditions including tides, waves, and currents; equipment and gear malfunction; mechanical failures; the possibility of capsizing; interactions with fish, sharks, turtles, insects, and other animals; the unpredictable forces of nature, including weather, which may change the conditions from routine to extreme without notice; risks associated with Personal Flotation Devices; and otherwise being in a large body of water where a lifeguard is not present; accidents or collisions with other water craft; slipping, tripping, and falling on wet and slippery surfaces; and falling overboard;
5. Risks associated with home stays and residing with unknown people in a foreign, undeveloped country, including exposure to unfamiliar food, water, and animals; risks associated with varying and unfamiliar cultural norms; unanticipated verbal and physical harm; the careless or reckless behavior of other people; the possibility of inadvertent touching or unwanted sexual advances; contracting viruses and infectious diseases; and personal disclosure and/or interaction with such people. **NOTE: Participants will be living and engaging in activities of daily living, including but not limited to sleeping, dressing, and showering, in close quarters with staff and other participants. Participants will be exposed to staff and other participants of diverse backgrounds including varying genders, races, religions, national origins, political views, and sexual orientations.**
6. Animals, including without limitation, horses, donkeys, camels, or elephants are unpredictable and uncontrollable in all circumstances, whether participants are mounting, dismounting, saddling, feeding, riding, packing, or otherwise dealing with animals in any way. Animals are generally much larger, more powerful, and faster than a human, and can react to the environment, and the conduct and actions of riders and other persons in harmful ways. Without warning, animals can kick, bite, stomp, stumble, rear, bolt, fall, and react to sudden movements, noise, light, vehicles, other animals, or objects. Riding animals can involve equipment that may break or otherwise fail, saddles or blankets that may slip, and other riders who may not control their animals and cause a collision or other unpredictable consequences;
7. Risks of camping, including the risk of tending to, being near, or cooking over an open fire or gas or propane stove that is subject to a gas explosion, scalding, or other burns. Other risks include the risk of falling trees and/or

branches, floods, harsh and unpredictable weather, wildlife disturbances and encounters, insect bites, and other hazards at a camp site;

8. The risk that equipment or gear may be misused, may not fit, or may break, fail, or malfunction. This includes Participant's personal equipment, GXG equipment, or other equipment (whether purchased, borrowed, or rented). Participants choosing to bring and use their personal equipment (including any safety gear), assume full responsibility (along with their Parent), for choosing appropriate equipment and for the fit and condition of this equipment. GXG requires use of helmets, Personal Flotation Devices, or other safety gear for some activities. Safety gear may prevent or lessen injuries in some instances, but it is not a guarantee of safety, and injury can occur even if gear is used;
9. The unavailability of immediate and quality medical attention or rescue possibilities in an isolated and remote location, including the limited ability to communicate with rescue and medical personnel, and to transport or evacuate a participant from an incident location. Activities may take place on the open sea and onshore locations as much as several hours or days from any medical facility, and in regions where traditional Western medical care is not always available;
10. Risks associated with high and low challenge course elements and zip-lines which may be as high as 50 feet off the ground, including the possibility of falling a large distance, slipping, rope burns, pinches, jolts, splinters or swaying, colliding with other participants, and experiencing anxieties and fears associated with heights;
11. Risks from participating in a physically exerting activity in an unpredictable environment, including engaging in repetitive arm and leg movements, bending, walking, riding, twisting, pulling, lifting, running, jumping, climbing, and sustaining back and other injuries as a result of using a shovel, hammer, machete, pick-axe, or other tool;
12. Risks associated with rafting, kayaking, or canoeing in a creek or river including encountering swift or cold water; the presence of unknown obstacles such as rocks or timber; the risk that a vessel may overturn or sink; and risks associated with Personal Flotation Devices, including that it does not properly fit, it may not be available, is not properly secured, or contains a defect that may impact its ability to function;
13. Risks associated with interactions with, and reliance on, GXG, other participants, contractors, or unknown third parties, including the careless or reckless behavior of other people, the possibility of inadvertent touching or unwanted sexual advances, the risk of contracting viruses and infectious diseases, and personal disclosure and/or interaction with co-participants;
14. Risks of traveling in foreign countries, including being transported in vehicles on undeveloped, rough, mountainous and unpredictable terrain, including dangerous roads, bridges, and other infrastructure; the risks of driver error either by individuals affiliated with a third-party carrier or drivers of other vehicles; the risk of vehicle malfunction and travel in potentially unsafe vehicles including buses not equipped with seat belts; vehicular accidents or collisions; exposure to poor sanitation and contaminated foods or water; contracting viruses and infectious diseases arising from a pandemic or otherwise; and encounters with terrorism, war, kidnapping, political unrest, riots, individuals with anti-American sentiment, and other forces or harm; and
15. Risks associated with participants having free and/or independent time before, during, and after activities. At all times, all participants share in the responsibility for their own wellbeing.

**These risks may result in damage to property, bodily injury, lacerations, contusions, broken bones, spinal injuries, head injuries, viruses and infectious diseases including but not limited to Malaria, Dengue Fever, Zika Virus, Influenza, MRSA, and COVID-19, emotional injuries, psychiatric/psychological injuries, exposure to the sun and other elements, water immersion and drowning, serious bodily injury, or even death.** The risks of the Programs' activities, described above, is not exhaustive and other risks may exist. These activities may require a degree of skill and knowledge different from other activities of which Participants may be more familiar. Participants are responsible for managing the risks to themselves and others. **Participant and Parent acknowledge that participation in the Program is purely voluntary and is being done with full knowledge of the inherent and other risks.**

I understand GXG contracts with independent contractors for certain services including ground transportation, Sunsail/Moorings for the yacht charter, and in some locations outside of the British Virgin Islands, scuba diving. These contractors are not supervised or controlled by GXG and they are solely responsible for their conduct. Some independent contractors, including but not limited to PADI, may require execution of certain documents, including releases of claims against them. Such documents pertain to those contractors and not to GXG.

### **ACKNOWLEDGMENT AND ASSUMPTION OF RISKS**

**Please read carefully. This Acknowledgement and Assumption of Risks contains a surrender of certain legal rights.** I hereby declare that I have carefully and completely read the above Declaration of Activities and Risks before signing this Agreement. **Understanding and acknowledging the activities and risks of each Program, I certify that the Participant is physically, emotionally, and mentally capable of participating in the chosen Program, without causing harm to himself, herself, or others.** I further certify that before the Program commences, I will inform GXG of all past or current physical, emotional, and/or psychological conditions that might adversely affect the Participant's participation in the chosen Program or cause harm to other people. I agree to honestly and accurately complete all GXG registration forms (including medical forms and the **COVID-19 ADDENDUM TO PARTICIPANT AGREEMENT**) and obey all rules and policies.

In consideration of the services provided by GXG, I, for myself and on behalf of my heirs, assigns, personal representatives, and next of kin, and on behalf of my child (if the Participant is a minor), understand and agree as follows: **I understand that the activities associated with the Programs have inherent risks, many of which cannot be eliminated without destroying the unique character of the activities.** I understand and acknowledge the nature of the activities and the dangers and risks associated with participation in any of the Programs, which are described in the above Declaration of Activities and Risks. I also understand and acknowledge that the information provided above is not complete, other unknown or unanticipated activities, risks, and outcomes may exist, and GXG cannot assure the Participant's safety or eliminate any of these risks.

**With full understanding of the dangers and risks involved, I, on behalf of myself and on behalf of my child (if the Participant is a minor), hereby assume all risks of participating in the activities of any of the Programs, including any harm, injury, loss or even death, caused by the negligence of GXG, its owners, employees or agents, staff, trustees, officers and directors, contractors, third parties, or other Participants participating in any of the Programs. If the Participant is a minor, the Parent also certifies he or she has discussed the activities and risks with the minor Participant who nonetheless chooses to participate.**

### **LIABILITY RELEASE AND INDEMNITY AGREEMENT**

I, for myself and on behalf of my heirs, assigns, personal representatives, and next of kin, and on behalf of my child (if the Participant is a minor), hereby release, hold harmless, and agree not to make any claims or to sue GXG, its owners, employees, agents, staff, trustees, officers and directors, contractors, and the owners and operators of any vessel on which the Programs are conducted (collectively, "Released Parties") from any and all claims of harm, injury, disease, illness, loss or even death that I, or my child (if the Participant is a minor), may suffer arising out of or in any way connected with enrollment or participation in any of the Programs. **THIS RELEASE, HOLD HARMLESS AND AGREEMENT NOT TO MAKE ANY CLAIMS OR TO SUE INCLUDES, BUT IS NOT LIMITED TO, ANY AND ALL CLAIMS OF HARM, INJURY, DISEASE, ILLNESS, LOSS OR DEATH THAT IS CAUSED, IN WHOLE OR IN PART, BY THE NEGLIGENCE OF ANY OF THE RELEASED PARTIES. AMONG OTHER THINGS, I SPECIFICALLY UNDERSTAND THAT BY SIGNING THIS AGREEMENT, I AM AGREEING TO RELEASE THE RELEASED PARTIES (INCLUDING, BUT NOT LIMITED TO, GXG) FROM ANY LIABILITY RESULTING FROM ANY OF THE RELEASED PARTIES' NEGLIGENCE.**

I, for myself and on behalf of my heirs, assigns, personal representatives, and next of kin, and on behalf of my child (if the Participant is a minor), agree further to indemnify the Released Parties from any claim, demand, or suit brought by me, by or on behalf of the Participant (if the Participant is a minor), or anyone else, alleging harm, injury, disease, illness, loss or death arising out of or in any way related to my, or my child's (if the Participant is a minor) enrollment or participation in any of the Programs. **I AGREE TO THE TERMS OF THIS INDEMNITY, EVEN IF SUCH HARM, INJURY,**

**DISEASE, ILLNESS, LOSS OR DEATH WAS CAUSED, IN WHOLE OR IN PART, BY THE NEGLIGENCE OF ANY OF THE RELEASED PARTIES.** "Indemnify" means to defend, and to pay or reimburse the Released Parties for all expenses, including costs and attorney's fees. I understand that Florida law may limit my authority to execute a release on behalf of a minor child. I make the release and indemnity only to the extent that Florida law permits. If any clause, or portion of a clause, in this Agreement is deemed to be invalid, it shall be regarded as stricken while the remainder of this Agreement shall continue to be in full force and effect. This Agreement shall not be construed for or against a party because that party drafted it.

**IF THE PARTICIPANT IS A MINOR AT ANY TIME DURING A PROGRAM, FLORIDA LAW REQUIRES THAT THE FOLLOWING STATEMENT BE PROVIDED IN UPPERCASE TYPE, AT LEAST 5 POINTS LARGER THAN, AND CLEARLY DISTINGUISHABLE FROM, THE REST OF THE TEXT OF THE WAIVER OR RELEASE. SECTION 744.301, FLORIDA STATUTES (2019).**

## **COVID-19 ADDENDUM TO PARTICIPANT AGREEMENT**

**THIS DOCUMENT CONTAINS A RELEASE OF LIABILITY AND WAIVER OF CERTAIN LEGAL RIGHTS.**

**Please read this COVID-19 Addendum to Participant Agreement (hereafter “Addendum”) carefully before signing.** This Addendum must be signed by all participants, and a parent or legal guardian if the participant is a minor. This Addendum is intended to supplement and not replace the Participant Agreement.

In consideration for participant being permitted to participate in the services offered by ActionQuest LLC, individually and d/b/a Global Expeditions Group, GoBeyond Student Travel, and Sea|mester, and their owners, members, managers, officers, directors, employees, agents, representatives and volunteers (collectively “GXG”), **I (participant and/or parent of a minor participant) acknowledge and agree as follows:**

- COVID-19 is a highly contagious virus that could cause various severe symptoms including, but not limited to, cough, shortness of breath or difficulty breathing, fever, chills, repeated shaking, muscle pain, headache, new loss of taste or smell, persistent chest pain or pressure, confusion, and even death;
- COVID-19 could be transmitted by people who may not be experiencing any symptoms of the virus and it is possible that someone may be positive for the virus without knowing it;
- **GXG has implemented numerous policies and procedures to deal with the COVID-19 pandemic including those that have been provided to me and those available on its websites.** These include but are not limited to policies and procedures surrounding testing, social distancing, quarantines, and personal protective equipment such as masks. Consistent with these policies, **I agree, upon completion of the Program, and once I arrive home, to have no contact with anyone I understand to be medically vulnerable under United States Centers for Disease Control and Prevention Guidelines until I have received a negative test for COVID-19.**
- I understand that these policies and procedures are frequently evolving and being updated to comply with the latest requirements and recommendations of governing authorities and health departments, not only in the United States but in countries to which I will be traveling. **I agree to comply with, and be bound by, all GXG policies and procedures in effect at the time of my Program. I also understand that my failure to comply with any of these policies and procedures could result in my immediate dismissal from the Program at my sole expense.**
- Due to the nature of COVID-19 and a GXG Program, among the inherent risks of my participation in the Program is that I may become afflicted with COVID-19 and/or transmit it to other individuals despite GXG’s compliance with its policies and procedures, and regardless of whether I comply with these policies and procedures;
- GXG staff members are, and have been, available if I have further questions about GXG’s COVID-19 policies and procedures or the associated risks of participating in a GXG Program during this pandemic. Parent/s give permission for their minor child to participate in a GXG Program despite these risks and agree to discuss these risks with their child; and
- All terms of the Participant Agreement shall apply to COVID-19 and the contents of this Addendum. **Therefore, I understand and acknowledge that the Liability Release and Indemnity Agreement contained in the**

Participant Agreement shall apply in its entirety to any and all claims, liabilities, suits or expenses in any way related to, or arising out of, COVID-19.

IF THE PARTICIPANT IS A MINOR AT ANY TIME DURING A PROGRAM, FLORIDA LAW REQUIRES THAT THE FOLLOWING STATEMENT BE PROVIDED IN UPPERCASE TYPE, AT LEAST 5 POINTS LARGER THAN, AND CLEARLY DISTINGUISHABLE FROM, THE REST OF THE TEXT OF THE WAIVER OR RELEASE. SECTION 744.301, FLORIDA STATUTES (2019).
